ANNUAL REPORT

FY 2025

MESSAGE

FROM THE CEO

Dear Friends and Supporters,

This past year has been one of meaningful growth, strengthened partnerships, and expanded impact for The McGregor Clinic. I am deeply grateful to our donors, partners, and community members whose support has made this progress possible.

Through the Wish-Lee grant with Centerstone, we launched new harm-reduction programming, including innovative vending machines, bringing essential resources to individuals where they need them most. We also introduced the McGregor Connect Care mobile unit, extending our reach into neighborhoods and creating a safe space on the go for testing, education, and support.

Our partnership with Avita allowed us to open a new on-site pharmacy, further reducing barriers to care and ensuring our patients have comprehensive support in one location. And this year, we proudly launched our inaugural Dining Out for Life, which brought our community together in a shared mission to reduce stigma and uplift health.

Behind these milestones, our leadership team and staff continued strengthening our foundation through the transition to a new EMR and a focused process improvement initiative that increased efficiencies and enhanced patient experience. To our patients, thank you for your patience and trust during this transition, you remain at the heart of every decision we make.

As we look ahead, we remain guided by compassion, equity, and innovation. Thank you for walking alongside us and for believing in the power of community. Together, we are creating lasting change

With gratitude,
Tom Hammond
Chief Executive Officer

A handwritten signature in black ink, appearing to read 'Tom Hammond'. The signature is stylized and fluid, with a large loop at the end.
